

The **HANDYMAN / MAINTENANCE TECHNICIAN** (40 hours / week) is key member of our Facilities Team. Serving under the direction of our Facilities Manager, this person will...

- Help maintain and improve a multi-million dollar church facility
- Utilize their troubleshooting and technical skills to identify and resolve issues with HVAC, plumbing, electrical, sewer/water, kitchen equipment, and security systems
- Develop a strong rapport with church staff and assist them with resolving various general maintenance issues (appliances, flooring, cabinets, locks, drywall, etc.) in a timely manner

QUALIFICATIONS

- A healthy personal spiritual life and a commitment to being a growing and reproducing disciple of Jesus
- Align with Forest Hills Baptist Church's statement of faith (see fhbc.org/bylaws) and the church's mission, vision, and values (see fhbc.org/about-us/our-vision-mission-values/)
- High school diploma required; College degree or trade license preferred
- Has technical training or experience in two or more disciplines: HVAC, electrical, plumbing, carpentry, painting, audio/visual, computers or computer networking
